24 May 2019

Dear Parents and Carers,

## **QUEST- Once Upon a Time**

This term our whole school Quest is entitled 'Once Upon a Time'. An overview of our learning is on the back of this letter. This Quest covers a wide curriculum, with many exciting opportunities for the children to get out and about to enhance their learning.

## **Trips and workshops**

This is a very busy term for Year 3 with several outings planned. As you know we are visiting the Earth Science Centre and Quarry on Tuesday and have already had our Rocks and Fossils workshop from the Museum Service. Details of further activities will follow in due course.

## **HOMEWORK:**

### Spellings and MyMaths

I will continue to set spelling and MyMaths homework on Friday which must be completed by the following Friday. Spellings and times tables will continue to be tested weekly. The children are making great progress with their times tables – but please continue to practise these with your child as they need to be fluent in both the multiplications and **divisions** for the 2,3,4,5 and 8 times table by the end of Year 3.

### Reading

Your child must read out loud to an adult **at least four times** a week. Reading records are checked every Monday morning. Reading aloud to an adult and discussing what they have read really helps to improve your child's understanding of the text and will equip them to answer comprehension questions.

## **PE**

The children have PE on Mondays and Thursdays this term. We have some extra in school PE sessions on other days throughout the term, so please ensure your child has a **named** PE kit in school every day.

## **Water Bottles and Sun cream**

With a bit of luck, the weather will warm up soon, so therefore please make sure your child has applied sun cream before school, and that they have a named water bottle in school, as well as a drink with their lunch.

## **Volunteer Helpers**

If you are able to offer regular (perhaps with hearing readers) or occasional help at school, please let me know. We always appreciate extra help with the children's learning. Also if you have any knowledge or skills linked with our learning this term and are willing to share this with the children, please come and see me – we always enjoy having visitors in school.

Thank you for your continued support,  
Kind regards,

Isabel Calnon

**Milverton School is committed to safeguarding and promoting the welfare of our pupils and expects all staff and parents to share this commitment**
